Privacy Policy
Last Updated 11/20/2026

This privacy policy sets out how MARVIL CG LLC dba Orbital Connect uses and protects any information that you give MARVIL CG LLC when you use this website. MARVIL CG LLC is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified when using this website, then you can be assured that it will only be used in accordance with this privacy statement. MARVIL CG LLC may change this policy from time to time by updating this page. MARVIL CG LLC dba Orbital Connect may collect information (such as name, email, phone, address, vessel name, user log in and credential, etc.) from you when you register the site, fill out forms, or make a purchase. Any information collected may be used in the
following ways:
1.Internal record keeping
2. To personalize your experience and to improve our website functions and customer service based on input from our users
We continually work towards bringing you the best service possible, and customer input is very important to this process.
3. To process transactions
Where it is applicable, it may be required for us to share personal information with another company in order for us to properly process your orders for service. Orbital Connect will in these cases only share that information which is required by the service provider for the completion of your order.
To send periodic email notices
The email address you provide may be used to send you information and updates pertaining to your order, in addition to company news, related product and service information, updates, etc. Emails not generated automatically by our order processing system are optional and can be unsubscribed from.

Orbital Connect uses cookies
A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyze web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences. We use traffic log cookies to identify which pages are being used. This helps us analyze data about web page traffic and improve our website in order to tailor it to customer needs. We only use this information for statistical analysis
purposes and then the data is removed from the system. Overall, cookies help us provide you with a better website, by enabling us to monitor which pages you find useful and which you do not. A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us. You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify

your browser setting to decline cookies if you prefer. This may prevent you from taking full advantage of the website.
Disclosure to Outside Parties
Orbital does not and will not share or use customer information other than for strict purposes of conducting and executing a transaction of business with that customer. No other companies or parties are allowed access to any information collected by Orbital Connect except for the purpose of completing an agreement of service with a related service provider.

At our discretion it may also be required for us to release your information in order to properly comply with the law or protect other users rights, property, or safety. In these cases your information may be released to the proper authorities at our discretion.
Non identifying visitor information may be provided to other companies at our discretion.

Third Party Links
Any third party links listed on our website will lead to other companies with their own terms, conditions, and privacy policies. Orbital Connect does not guarantee that any of these third party sites will have the same privacy policies as our site and assumes no liability for the activities of these sites.

Privacy Policy Updates
Any changes to our privacy policy will be listed on this page.
